“ Sgt Webb was one of my ROTC instructors at Holston High School from 1978 to 1982. He taught so much and I'm eternally grateful for the example he set for us all. I've often wished I could have told him how much of a difference he and the other instructors made in my life. Godspeed Sgt Webb. Lead the way.

“ Uncle Colin was always dear to me and my family. We loved visiting with him and Opal. He knew our family history and had a great sense of humor. I loved to travel around the area and just hear his stories. My thoughts and prayers are with Opal and the family in their time of sorrow. Praise the Lord he is with Jesus now and I know I will see him again.

“ I was in the Holston High School Jr. ROTC when MSG Webb was there (class of 1980). He was a great instructor and cared about everyone in the school. He is one of the reasons I joined the Army. His dedication, courage, and compassion was an excellent example for all of us.
